

Mission Statement

To develop and manage hotel properties that provide optimal experiences for our guests and as best possible yield sustainable profits for our clients

Vision

We view WNW as an organization that aims at leadership in the hospitality industry by exceeding guest expectations and designing and delivering products and services that optimize the guest experience. We demonstrate care for our customers through anticipation of their needs, attention to detail, distinctive excellence, warmth and concern.

We view WNW as a lean, responsive organization where decision-making is empowered to each employee at each level.

We view change as an opportunity to better serve our clients and guests. By embracing ever changing economic influences and technological advancements, we achieve a more global understanding of our customers. This positions us to truly meet their needs.

We see a multi-skilled workforce that consists of team players with pride of ownership in every activity of every day, maximizing their role and satisfaction through fulfilling each guest's expectations.

We see an organization where people are nurtured through continuous learning and skill development; are respected, heard and encouraged to always strive for the best results; and are encouraged to think outside of the box.

We see an organization that is conscious of its role in the community, supporting social needs and ensuring employment from within local communities.

We see an organization that is committed to the environment, from development and construction to daily operations, through use of natural products and recyclable items.
